

KIDS CARE PEDIATRICS **LATE POLICY**

Revised January 1, 2020

A patient who is more than 15 minutes late to his or her appointment without advanced notice, will be informed that they have missed their appointment, and may need to reschedule the appointment for another time if the provider cannot accommodate them. This may be later in the day, or it may be several days depending on the purpose of the visit.

Please be sure to inform the office immediately if your child will be late for his/her appointment.

Thank you for your cooperation.
